TESTIMONY

I stand in awe of God's grace, love and wisdom seeing that all things do work together for good and His will is done. My emotional and physical states have finally normalized. The Lord is complete in this and every healing. I praise Him for purifying me through my weaknesses. He has transformed my misery and despair into joy. A broken heart and being have been mended by the Light. I have only one desire — to give myself daily into God's hands, into His trust so that He can channel His healing presence through me to all who cross my path. All praise and glory to God for ever and ever.

In August 1982 I requested prayers for Mr. K. O. Ohene, who was involved in a very serious car accident. I am happy to say that he has completely recovered and resumed work. May the Lord Jesus be praised for His healing power.

PROGRAMS

THE HEALING MINISTRY

The Lord blesses this work with many remarkable healings of body, mind and spirit. At Faith Center and in institutions around the city we pray with the sick and give counsel to those who are oppressed. Through our prayer fellowship, the Circle of Power, we reach out with the healing love of Jesus Christ to people all over the world.

THE CLOWN MINISTRY

Our ministers and volunteers become clowns for Christ, bring love, laughter and toys to children who are terminally and seriously ill. Volunteers are welcome in many capacities, and we invite you to call Faith Center.

THE PRISON MINISTRY

Our work focuses on the importance of each person undergoing a profound personal change, by receiving Christ, so that, upon release, he or she does not simply return to a self-destructive lifestyle. Our current programs include counseling in Georgia's death row

ANIMAL ACTION

When God gave mankind dominion over the earth and its creatures He did not have in mind the abuse and abandonment of His creatures, nor their torture in scientific experiments. Nevertheless these things happen on a vast scale. We, therefore, give a very high priority to working against such abuse wherever we can

NEWSBRIEFS

THE CLOWN MINISTRY

Daffydil (alias Rev. Nathania Gartman) and kids at Egleston Hospital.

Atlanta: Two stories from the month best illustrate the healing effects of the clowns.

Girard, a year old child in Grady Hospital, was permanently on a respirator and expected to remain so (May Newsletter). He is bright and alert, and we solicited your prayers for him. To show that all things are possible with God his condition has miraculously improved. He has been moved out of Intensive Care and into a regular ward with three other children, where he participates in the clown visits. He is eating well and no longer needs to be constantly monitored. And, most miraculousy, he is off the respirator for all except very brief periods. His lungs are sound, and with God's continued healing he will grow up healthy and normal. Please keep him in your prayers and let us praise God for His healing.

Jamie, a young child at Egleston Hospital, who, among many health and home problems, required painful therapy for his legs, which always made him cry — emotionally stressful for both the nurses and other children. Both Daffydil and Lilac (alias Revs. Nathania Gartman and Grace Michaels) are musicians as well as clowns, and have found that their music produces an immediate healing effect upon Jamie to the relief of all around him. The Lord has also blessed him with a healing of his home situation, which has enabled him to return home. It was expected that he would have to be placed in a nursing home. Praise the Lord for another answer to prayers.

Birmingham: At publication time Revs. Grace Michaels and Matthew Gartenlaub are visiting with the children in the Burn Unit at Children's Hospital.

Recent news:

New York: Member Barbara Taylor reports on the formation of a new branch of the Circle of Power in Sunnyside, New York. Dean of the Prayer Fellowship is Sara Arico, and the group meets every Saturday, 6-8 PM, at Sara's home, 47-51 40th St., Apt. 2F, Sunnyside, NY 11104. Anyone in the New York area interested in attending should call Sara at (212) 784-7489. A big welcome, in Jesus' name, to all New York area members, and our prayers are with you in your work for Him.

Ghana: Congratulations to Joseph Gyamfi and Mary Ameah, long-time members of the Circle of Power in Sunyani, who were recently married (we believe this is a first for members brought together through the Prayer Fellowship). Joseph writes, *"We have decided to establish branches of the Circle of Power at the Sunyani Secondary School and the Technical Institute in Sunyani: plans are also afoot to spread the prayer group at the Second Circle Schools in this region."*

Sister Grace Asare-Djan (l) and Philip Twum visited this young man in the hospital in Sunyani, Ghana. He said, "I want to know God and be saved." Praise the Lord, he is now walking.

We have also heard from Rev. Daniel Ayebiahwe's son, Baffour, who wants to follow in his father's footsteps and start a branch in Sefwi-Asafo, a village not far from The Foundation Faith of God in Sefwi-Tanoso, which his father pastors. Praise the Lord for these very exciting developments.

ANIMAL ACTION

Pet Therapy: Rev. Abigail Johns' ministry has grown to include not only student-minister, Brother Kevin Mendenhall, Aide Joy Waxman, and Rev. John's dogs, Teddy and Pippin, but, now that school is out, some of the children of the staff of Faith Center as well. The visits have become family affairs, which, of course, is precisely what many of the elderly lacked.

Friends in Florida: The April 24th rally (June Newsletter) brought us in contact with Claire Campbell of Florida Action for Animals. We have been in correspondence since and in an amusing letter Claire writes, *"It was so wonderful to see you at the mobilization because I wondered if the Christian Church had scrapped the fifth day of creation."* She also reports on a campaign to alert both churches and synagogues that animals need to be treated as God's creatures too. Praise God for Claire.

Answered Prayers: Just in case you wondered!, God answers prayers for animals just as He does for people. To illustrate: We were asked to pray for a mare and her newborn colt. The mare was extremely ill with an undiagnosed sickness. Though it was dangerous to the colt to separate it from its mother, it was decided to send the mare to the Veterinary Hospital at Auburn University for treatment in the hope of saving her. The hospital was unable to diagnose and therefore could not treat her. After prayers, however, the mare recovered completely, and the colt survived. Praise God for His love for all His creation.

WELCOME
